Please note that the following documentation is part of this package:

- ISCD Strategy Map
- ISCD Business Plan
- ISCD Planning
- ISCD Budget Plan 2010-2014
- ISCD Structure
- ISCD By-Laws
- ISCD Constitution

Also an explanatory presentation is available under:

After receiving these submissions, IPC Shooting will respond to the feedback received through a community response. Parallel to this process various IPC bodies will be conducting a review of these documents to provide feedback. It is IPC Shooting's intention to present a motion on governance transfer and have final documentation as supporting material prior to the IPC Shooting Sport Forum to be held during the 2010 IPC Shooting World Championships, in Zagreb, Croatia.

We thank you in advance for your review and contributions to this process and look forward to your reply.

Yours sincerely,
